

# Introducing The AUVS Safer Environments UV-C Rental Program!

## Put Proven UV-C Disinfection to Work in Your Facility Starting at as Low as \$109 per Month

**Advanced Ultra-Violet Systems (AUVS)**, in partnership with Avalon Leasing's Rental Services Division, announces the **Safer Environments Rental Program** exclusively for its Hospitals and Medical Clinic customers.

Now placing AUVS' proven device and surface UV-C disinfection technology throughout your facility is easier than ever.

- Our rentals are designed to easily fit into your Operational Budget
- Departmental approval expedites equipment acquisition
- Fixed price rental for full term makes budgeting easier
- AUVS Warranty included
- In most cases rental documents are delivered same day expediting equipment delivery

AUVS Technology		12 Month	36 Month
	<b>The UV Box</b> - For All Handheld Devices including Tablets and Cell Phones	\$177/mo.	\$109/mo.
	<b>The UV Cube - Standard</b> For Larger Items and Higher Through-Put	\$598/mo.	\$335/mo.
	<b>The UV Cube - Plus</b> with Built-in PC	\$736/mo.	\$412/mo.
	<b>Rollie Mini-Bot</b> - For High-Touch Surfaces in Patient Rooms, Offices, and Restrooms	\$337/mo.	\$180/mo.
	<b>Ray EMS</b> - High-Touch Surfaces in Emergency and Transport Vehicles	\$227/mo.	\$127/mo.

**AUVS Technology is currently used throughout more than 700 Hospitals and Hospital Groups**

- **Infection Prevention** protects Patients, Staff and Families with UV-C disinfection of C.diff Spores, MRSA, Coronavirus, Norovirus, Rotavirus, RNA Viruses (Flu), etc.
- **Environmental Protection** with reduced wipes usage, red-bag waste and landfill burdens
- **Lower Costs** with reduced: staff downtime; consumable and wipes expense; and dumping costs

\* Costs are approximate and pending approval by Avalon Leasing Rental Services Division. 24-Month Rental option also available.
